GRAYS LOSE TO MAROONS IN ELEVEN INNINGS

The Valley Grays lost their game with the Maroons yesterday, but in spite of the short time which was devoted to preparation, they kept Gerdahl's outfit humming right along for eleven long innings. The final score was 13 to 11. It was a good game to watch. Both sides did plenty of batting and the fielding was a trifle ragged in spots. The crowd, which was fairly good, liked the game and the advent of a new and snappy aggregation of ball tossers was fittingly welcomed by the evident appreciation of the fans.

Smiley started for the Maroons, pitched five innings and then walked a little. Delgado took his place and pitched splendid ball to the finish. Graham was in the box for the Valley Grays and, although it was his first game of the season, put on a splendid exhibition of twirling. His control was very good, but toward the last he grew tired and needed all the support that his men could give him.

The Maroons counted one in the first, the Grays two in the second, and the Maroons garnered two in the fourth. In the fifth the Grays tallied once and their opponents took a one-point lead again in the sixth. Two each was the result of the seventh and the Grays made it a tie in the eighth. Two each again in the ninth, same in the tenth, but in the eleventh the Maroons only could repeat on this two stuff and the game was theirs.

Graham gave 16 hits, Smiley seven in five innings and Delgado six in six. The Maroons have four errors marked against them and the Grays five.

The Grays are wearing the uniforms of the Valley Clothing company.

N. G. A. PRACTICE SHOOT

The rifle team of Company A of the national guard held a practice shoot at their rifle range near Tempe yesterday at which were made several very satisfying scores. The team which is already picked has been indulging in some strenuous workouts lately to shape up for the big meet on February 22 at which teams from all the companies in Arizona will compete. The winners, who will attend the annual rifle match at Camp Perry, will surely include several Phoenix men as the local scores are very high.

STUDEBAKERS ON GRAND CANYON RUN

Will Take Run to Big Gash in June—Prizes to Be Offered—Bag Banquet a Feature.

Owners of Studebaker cars will take a trip to the Grand Canyon in June as guests of the Arizona Motor Co., Inc., the local distributors of Studebakers, E-M-F and Studebaker automobiles.

The trip will last nine days. The first stop will be at Prescott, where the party will spend the night. From the Mile High city they will go to Flagstaff, rest over night, and then proceed to the Grand Canyon. Three days and nights will be spent at the El Tovar and the return will be by way of Montezuma Castle.

The motor car company will supervise the entire trip, securing rates at all stops, sending along a trouble car carrying mechanics and accessories. A big banquet at the El Tovar will be one of the features. A set of five, a loving cup, a silver plated speedometer and a barrel of oil will be among the prizes given.

BOXING BILL ON FOR THIS EVENING

Graham's Pool Hall Scene of Three-a-Week Bouts—Some Good Boys Coming to the Front.

Another boxing program will be put on at Graham's pool room this evening. Several local boxers will do a little sparring and some nice work is expected.

Manager Graham has arranged a series of sparring exhibitions. They will be put on Monday, Wednesday and Friday evenings. Some likely looking boys are coming to the front and while none of the bouts ever get down to anything that resembles real fighting the followers of boxers find them a source of much enjoyment.

CYCLE RACES ARE ON TODAY

Local Enthusiasts and Outsiders Will Compete at Fair Grounds This Afternoon—Good Program is Promised.

The Phoenix Motorcycle club convened yesterday for a final meeting before the races today. They disposed of considerable business relating to the management of the meet, and judging by the brisk manner in which the affairs were brought up and discussed, the boys will pull off a really business-like race.

President Lave announced a number of prizes, among them a casing donated by himself and a set of inner tubes, the gift of John Brown of the Pioneer Cycle Co.

The club accepted some new members whose entries will bring the number of Phoenix machines in the race up to ten. The new members are N. E. Wilson, Robert Anderson, John Abbott, Bert Abo, J. E. Beebe, Horace Steele, R. E. Carter and Walter Wood.

Other clubs beside the Phoenix entered contestants. They are from Mesa, Tempe, Glendale and Prescott.

There was considerable discussion as to the eligibility of certain machines not strictly stock models but they were all finally classified. Owing to the inability to get the track for Wednesday, the meet will have to be held this afternoon. This shortens considerably the time of preparation but the boys promise to make up in energy what they lack otherwise and so make the event interesting for the large number which they trust will be present.

BLAMED A GOOD WORKER.

"I blamed my heart for severe distress in my left side for two years," writes W. Evans, Danville, Va., "but I know now it was indigestion, as Dr. King's New Life Pills completely cured me." Best for stomach, liver and kidney troubles, constipation, headache or debility. 25c at all druggists.

PACKARD ON LONG JAUNT

President of Big Company Goes Through Phoenix on Way to Canyon—Praises Arizona Highways.

H. P. Joy, president of the Packard Motor Car company of Detroit, passed through Phoenix yesterday in a Packard six, en route to the Grand Canyon. Mr. Joy has been on the road for several weeks. He started overland from Denver and will ultimately strike and tour the coast.

The car in which he travels is equipped with a special body for touring through wild places. It was shipped to Denver from Detroit. From that city Mr. Joy started south, made El Paso over Raton pass and came from the border through Globe, via the Roosevelt dam, arriving in this city in the morning. At 2 o'clock in the afternoon he started north, will drive to the canyon, and return to Phoenix before going on to the Pacific.

"Arizona roads are the best in the west," said Mr. Joy. "We have struck some mighty bad ones on the trip, as well as some splendid highways, but those in this state beat them all. Arizona people certainly should be proud of the progress that the good roads movement has made here."

HOW TO BE A WINNER

You have a large circle of friends and acquaintances who, realizing what it would mean to you to win the Mitchell Touring Car, a cash prize, or a trip to the coast will naturally be interested in seeing you win. Those who are already taking The Republican will gladly save their clipped coupons for you, and give you the "special" votes which they will receive on renewal of their subscriptions. Your friends who have not already subscribed will do so when they realize that they will be instrumental in securing for you one of these prizes. Get all your acquaintances interested in your success; impress on them how badly you want to win one of the big prizes and what a disappointment the loss of it will be to you, and it is the easiest thing in the world to work up your listeners to such a pitch of enthusiasm that from indifferent hearers they will become your loyal supporters, enlisting the interest of their friends in your behalf, and your vote score will shoot up rapidly. Do not be half-hearted. Success begets confidence.
